About Hawaei Home Appliances

Hawaei Home Appliances, a renowned brand under Bahar Kalaye Sepahan co.ltd, has been a leading name in the home appliances industry, specializing in high-quality cooling and heating solutions. Since our inception, our mission has been to make exceptional home comfort accessible to everyone by offering superior products at competitive prices.

We take pride in our unrivaled quality, which stands as the cornerstone of our brand. Our product range, including electric heaters, and a wide variety of ceiling, standing, desktop, and wall fans, is designed with modern aesthetics and incorporates the latest technological advancements. All our products meet stringent international standards and boast Class A energy efficiency, helping our customers save on energy costs while protecting the environment.

Our vision extends beyond borders. While we have a strong presence in the Iranian market, we are proud to export our reliable appliances to numerous countries, including Russia, Tajikistan, Afghanistan, Pakistan, and Iraq. This global reach is a testament to the trust and satisfaction we build with our customers worldwide.

Complementing our product excellence is our nationwide after-sales service network, ensuring peace of mind and continuous support long after your purchase.

At Hawaei, we don't just sell appliances; we deliver comfort, reliability, and innovation to your home.

NEW 3 in 1 pedestial Fan

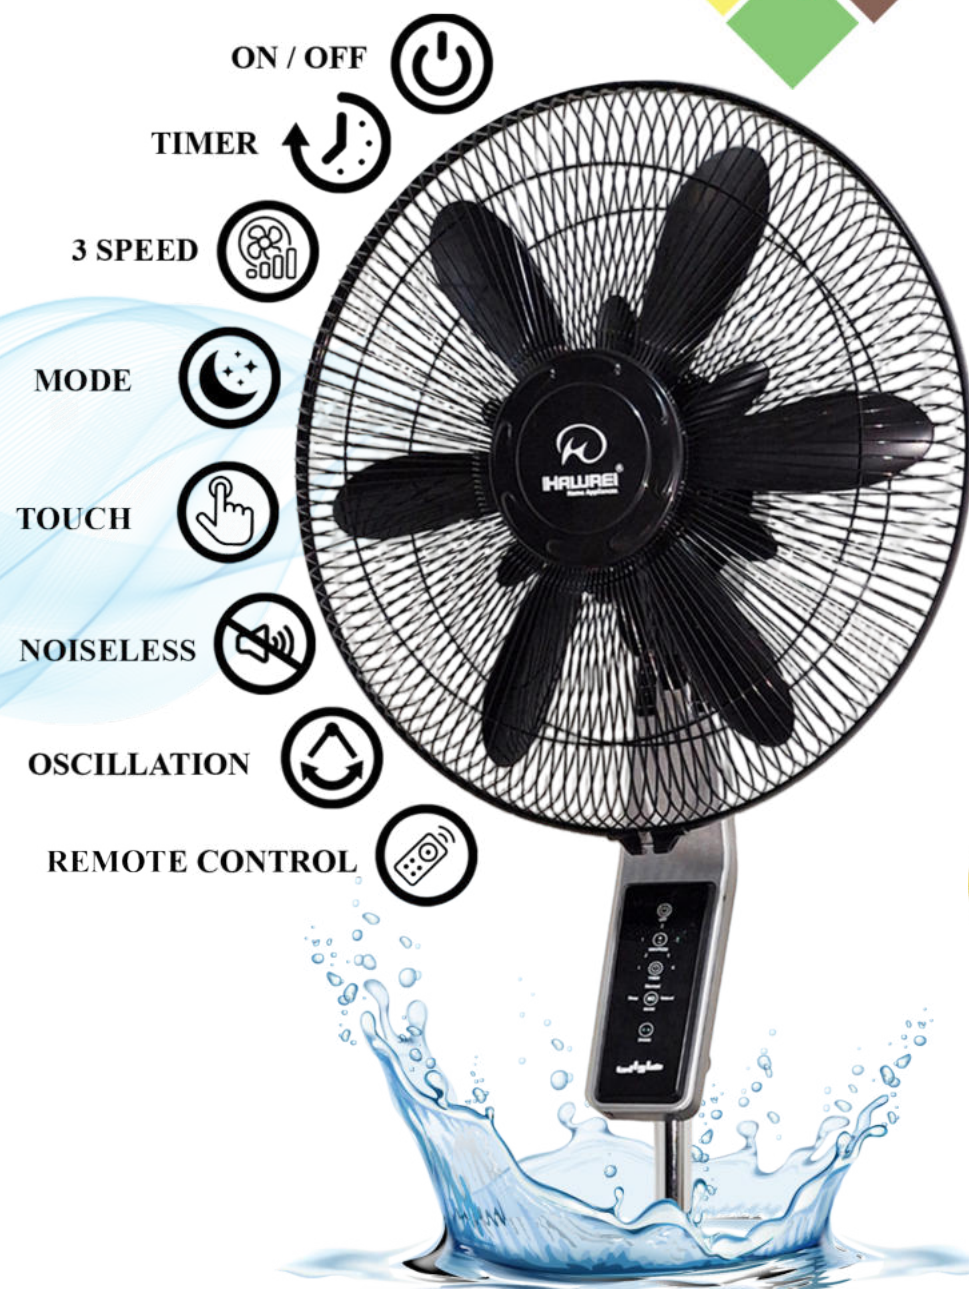

Multi-Purpose Fan Model H2503

Ultimate Comfort, Unmatched Versatility

Experience the pinnacle of innovation and design with the Hawaei H2503 Multi-Purpose Fan. Engineered for those who refuse to compromise on quality, this fan seamlessly adapts to your every need—whether as a stand fan for your living room, a desktop companion for your office, or a wall-mounted solution for space-saving efficiency. With its sleek, modern appearance and robust construction, the H2503 is not just an appliance; it's a statement of elegance and functionality.

Key Features:

- **Powerful Copper Motor:** Equipped with a high-performance 57-watt all-copper motor, ensuring efficient airflow, durability, and whisper-quiet operation even at maximum speed.
- **Smart Touch Control Panel:** Enjoy effortless operation with the advanced full-touch control panel, allowing you to adjust settings with a simple touch for a seamless user experience.
- **Superior Airflow with 12 Balanced Blades:** The 12-blade propeller is precision-balanced to deliver smooth, powerful, and consistent airflow without vibrations, enhancing your comfort all day long.
- **Full Adjustability:** Customize your comfort with adjustable height settings and the flexibility to use the fan in three modes—standing, desktop, or wall-mounted—making it perfect for any room or scenario.
- **Premium Build Quality:** Crafted from high-grade materials, the body boasts exceptional durability and a sophisticated finish, while the wide base ensures remarkable stability for safe use around children and pets.

Wall Fan Model : H2500

Ultra Quiet Technology
Powerful Oscillating Airflow
Power Indicator Light
3 Speed Setting
With Handle Design
Fully Touched and Remote Control
With Thermal Sensor for Overheating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 57 W
Blades No : 12 Blades
Control Mode : Touch / Remote
Box Meas : 45*35*65
NW / GW : 3.6kg/4.6kg
Loading Quantity : 570 pcs/20' GP - 1384 pcs/40'HQ

Desk Fan Model : H2501

Ultra Quiet Technology
Powerful Oscillating Airflow
Power Indicator Light
3 Speed Setting
With Handle Design
Fully Touched and Remote Control
With Thermal Sensor for Overheating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 57 W
Blades No : 12 Blades
Control Mode : Touch / Remote
Box Meas : 45*35*65
NW / GW : 3.9kg/5kg
Loading Quantity : 570 pcs/20' GP - 1384 pcs/40'HQ

STAND Fan Model : H2504

Ultra Quiet Technology
Powerful Oscillating Airflow
Power Indicator Light
3 Speed Setting
With Handle Design
Fully Touched and Remote Control
With Adjustable Height
With Thermal Sensor for Overheating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 57 W
Blades No : 12 Blades
Control Mode : Touch / Remote
Box Meas : 45*35*65
NW / GW : 5.9kg/7kg
Loading Quantity : 570 pcs/20' GP - 1384 pcs/40'HQ

3 IN 1 Fan Model : H2503

Ultra Quiet Technology
Powerful Oscillating Airflow
Power Indicator Light
3 Speed Setting
With Handle Design
Fully Touched and Remote Control
With Adjustable Height
With Thermal Sensor for Overheating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 57 W
Blades No : 12 Blades
Control Mode : Touch / Remote
Box Meas : 45*35*65
NW / GW : 6.6kg/7.7kg
Loading Quantity : 570 pcs/20' GP - 1384 pcs/40'HQ

Stand Fan

Hawaei Stand Fan Model H2201

Elegant Power for Every Space

Experience the perfect combination of sophisticated design and powerful performance with the Hawaei H2201 Stand Fan. Engineered with precision and built to the highest standards, this fan delivers exceptional cooling comfort while adding a touch of modern elegance to your home or office environment.

Key Features:

- **Powerful 57-Watt Copper Motor:** Equipped with a genuine all-copper motor that ensures optimal performance, energy efficiency, and long-lasting durability for years of reliable service.
- **Smart Touch Control Panel:** Features an advanced full-touch control system that allows for effortless operation and seamless adjustment of settings with just a gentle touch.
- **Premium 12-Blade Balanced Propeller:** The carefully engineered 12-blade design is perfectly balanced to deliver maximum airflow with minimal vibration and noise.
- **Adjustable Height & Superior Stability:** Offers flexible height adjustment to direct airflow exactly where needed, supported by an ultra-stable base that ensures safety.
- **High-Quality Materials:** Crafted from premium materials that guarantee durability while maintaining a sophisticated appearance.
- **Sleek Modern Design:** Boasts an elegant aesthetic that complements any interior decor style.

Model : H2201

Ultra Quiet Technology
Powerful Oscillating Airflow
Power Indicator Light

Ceiling Fan

Hawaei Ceiling Fan Model H1901 and H1902

Power and Elegance Overhead

Discover the perfect blend of robust performance and sophisticated design with the Hawaei Three-Blade Ceiling Fan. Engineered with a powerful 100-watt genuine copper motor, this fan delivers exceptional, reliable airflow to keep your space comfortably cool while ensuring long-lasting durability. This product is built to provide years of quiet, efficient service, making it an ideal centerpiece for any room.

Key Features:

- **High-Efficiency Copper Motor:** Features a real 100-watt all-copper motor, designed for maximum power output and energy efficiency, providing strong and consistent airflow while reducing electricity consumption.
- **Aerodynamic Blade Design:** The three uniquely angled blades are expertly crafted to maximize air delivery while operating at minimal noise levels, ensuring a powerful breeze and a peaceful environment.
- **Elegant and Versatile Switch:** Comes with a beautifully designed switch that complements any interior decor, adding a touch of style while offering user-friendly operation.
- **Certified Quality & Safety:** Manufactured in compliance with international standards, guaranteeing product safety, reliability, and performance you can trust.
- **Convenient Packaging:** Efficiently packaged two units per carton, simplifying logistics and storage for distributors and retailers.

Ceiling Fans

Model : H1901

Noiseless and High Efficiency
New Smooth Design
With Premium Quality Selector
100% Copper Motor
Easy Installation
With Fully Balanced Blades
With Electro-Static Powder Coating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 100W
Speed Controller: 5 speed
Control Mode: Rotary Switch
Box Meas: 18*26*65
NW / GW: 13.4kg/13.8kg (2 pcs in ctn)
Loading Quantity: 2152 pcs/20' GP - 4784 pcs/40'HQ

Model : H1902

Noiseless and High Efficiency
With Reverse Switch
New Smooth Design
With Premium Quality Selector
100% Copper Motor
Easy Installation
With Fully Balanced Blades
With Electro-Static Powder Coating

Specification:

Rating Voltage: 220-240V 50Hz
Rating Power: 100W
Speed Controller: 5 speed
Control Mode: Rotary Switch
Box Meas: 18*26*65
NW / GW: 13.4kg/13.8kg (2 pcs in ctn)

Electric Heater

Hawaei electric heaters utilize high-quality quartz heating elements and engineered design to provide fast, consistent, and safe warmth across various spaces.

Select models come with integrated fans for enhanced heat circulation, while non-fan options offer quieter ambient heating.

The body is crafted from a combination of steel sheets and heat-resistant ABS materials, finished with a durable electrostatic powder coating for a sleek and long-lasting appearance. Heat-resistant wires of premium thickness and a safety tip-over switch protect users from fire hazards, ensuring maximum reliability.

Built to modern standards , Hawaei delivers a very truly exceptional heating experience for dream living.

Electric Heater

Model : H1801

Noiseless and High Efficiency
Portable and Easy Operation
Power Indicator Light
Safety Tip-Over Switch
With Handle Design
